Sub:- Installation of 3 Phase Electric connection to College campus.

Sir,

With reference to the subject cited above, I am to state that 3 phase electric connection is to be made to the college campus under the scheme of Infrastructure Development Programme from World Bank Assistance. All the expenditures for the necessary infrastructure needed for the purpose are to be met out of the funds already sanctioned to the College.

I would therefore request your good office to kindly take necessary steps in this regard as early as possible to initiate the process.

Yours faithfully,
